October 21, 1903.

To the Superintendents amd Principals.

Gentlemen:-

It is the desire of the Department of Education to co-operate with and aid you, through the Division of Supervision and Statistics, in every way possible to the Department and steady improvement of the work done by the teachers under your immediate direction. As heretofore, if you note any especial weakness or defect in a teacher's work, and it is, in your opinion, of sufficient importance to bring to the attention of the Department, send a brief statement of the facts to the Department; and special suggestions, helps or friendly criticisms, as the case may warrant, will be sent to the teacher or teachers in question.

Yours respectfully,

E. W. Lord,
Acting Commissioner.

Dictated by L. R. S.

HEH Chief of Division.
